# Stetney Greene

## WEB DESIGNER & FRONT-END DEVELOPER

I am passionate about designing digital experiences that are both visually stunning and intuitive, and always strive to create designs that delight and engage users. Tech Stack: **HTML, CSS, Javascript, Astro, GitHub, Figma, and Framer.**

---

## EXPERIENCE

### FREELANCE WEB DESIGNER MICKI HERNANDEZ

March 2026 – Now

Re-Purposed, and launched a fully responsive website for a client, translating business goals into an engaging online presence. Collaborated directly with the client to gather requirements, implementing design solutions, optimize user experience, and deliver a professional website that aligned with their brand and business objectives.

---

### TECH & INFRASTRUCTURE SUPPORT BALTIMORE TECH MEETUP.

June 2026 - Now

Provided technical support, maintained website content, assisted with digital communications, and helped improve technology systems to support organizational operations and user engagement.

---

### DIGITAL COMMUNICATIONS MAJOR UNIVERSITY OF BALTIMORE

June 2017

Graduated with a degree in Digital Communications, developing skills in visual communication, user experience, and digital media that laid the foundation for web design and front-end development.
